

Why be involved in Sunday School?

- 1) You get the opportunity to study the Bible with people of the same age in a more intimate setting.
- 2) God has spiritually gifted teachers within this body to teach you.
- 3) We have commands from God to edify and encourage one another until Christ returns, and Sunday School enables you to encourage one another.

Current Class Schedule

- Nursery class teaching babies and toddlers basics about God
- Preschool classes for ages 2-Pre-K pointing children to the Gospel
- Classes for children which orient children's hearts to worshipping God
- Our students meet to draw specific application for what God's Word directs them to do in these days
- Our adults are meeting in the library in a class taught by Luke on the certainty of the church's commission

Our Vision/ Purpose
